Elaine and Candi -

Can you take a quick look at this and summarize it for us - early afternoon on Wednesday would be great - we can just meet to talk about it.

Thanks.

Hi Cliff,
The coalition of groups opposed to Rosemont that Dinah Bear is leading posted their comment letter on the DEIS online at this address:
<http://www.scenicsantaritas.org/deis-comments>

The file is very large (200+ MB), so the above link is to the page containing the direct link rather than a direct link itself. I recommend that you open that page, then right click on the link to the document and select "save target as" then download it. If you try to just open it in your web browser, it may cause your browser to freeze up (it did mine).
